6925 PROVIDENCE ST.
WHITEHOUSE, OHIO 43571

136-08

Appeal Case No. _____
Date _____ 20_____
Approved _____
Disapproved _____
File Index Page No. _____

(All entries must be made by the applicant, type or print in ink or indelible pencil.)

Location, ownership and detail must be correct, complete and legible. A separate application is required for each building. Two (2) sets of plans and specifications must be filed with each application. One Permit Set is filed with Division of Building Regulation and one Permit Set must be kept continually on job site. Plans and specifications must bear the name of Architect, Engineer or Designer; no pasted attached signature is allowed. Plans shall consist of drawings to scale (such as 1/8" or 1/4" equal one foot) of plot plan, basement and foundation plan, first floor plan, second floor plan, etc., four elevations and scale section, either prints or original drawings. No photostats will be accepted or approved. Complete floor plans drawn to scale must be submitted for all changes of occupancy whether Permit is required or not. Cost or value is total of general contract, not including electrical or mechanical work.
